

**AMENDMENTS TO THE CLAIMS:**

This listing of claims will replace all prior versions, and listings, of claims in the application:

**Listing of Claims:**

Claims 1-12. (Canceled)

13. (New) An apparatus for obtaining data for acquiring a broadcasting program, the apparatus comprising:  
a terminal configured to request said data for acquiring said broadcasting program to a provider and receive said data from said provider; and

storage means in said terminal configured to store said received data, wherein said data indicates a location information where said broadcasting program can be acquired and a time information including start time and duration of said broadcasting program.

14. (New) The apparatus of claim 13, wherein said terminal requests said data by using IP address for said location information.

15. (New) The apparatus of claim 14, wherein said terminal further includes a memory for storing said IP address.

Serial No. 09/477,675  
Reply to Office Action dated July 29, 2004

Docket No. P-0068

16. (New) The apparatus of claim 13, wherein said terminal further includes communication means for transmitting a request for said data to said provider and receiving said data from said provider.

17. (New) The apparatus of claim 13, wherein said location information includes a broadcasting station name.
